FEDERSPIEL® RIED ZANZL 2020

ORIGIN & TERROIR

The single vineyard Zanzl is in the village Rührsdorf in the Wachau valley. It faces west and is our most western vineyard. The morning sun hits the leaves a bit later, therefore the climate stays cooler in spring and autumn. The wines are precise and clear with a good structure. The vines are up to 25 years old.

SOIL TYPE

sandy loam and primary rock - a mixture of storing water and high nutrition.

HARVEST DATE

15th – 17th October 2020 | handpicked

VINEYARD TREATMENTS

- Sustainable measures – no use of herbicides or pesticides
- Protecting useful animals like butterflies and especially bees
- Planting of useful flowering plants like clover or buckwheat
- using own compost

VINIFICATION

The fermentation starts spontaneously in stainless steel tanks and takes about eight weeks. After that, the wine stays on the fine lees until filtration and bottling in March 2021.

CLASSIFICATION

This classic dry wine is distinguished by a strong, nuance-rich character. Federspiel wines feature a must weight of at least 17° KMW and an alcohol content of between 11.5% and 12.5% by volume. The name Federspiel refers to the times of falconry when this favourite form of noble hunting was practiced in the Wachau.

TASTING & FOOD PAIRING

Pleasant notes of mango and delicate herbs, hints of blossom honey, ripe apricot smoky and salty, elegant minerality, well balanced with the refreshing acidity. Juicy and dense.

Alcohol: 12,5 % vol. | Acidity: 6,2 ‰ | Residual sugar: 1,6 g/l
